## **PLAINTIFF'S UNOPPOSED MOTION FOR EXTENSION**

Plaintiff respectfully requests a one-week extension of the deadline in which to respond to Defendants' Motion for Summary Judgment (Doc. 88) such that its response is due on July 19, 2023, rather than July 12, 2023. As grounds for this motion, Plaintiff submits that additional time is needed in which to respond to the motion and that Defendants would not be prejudiced by the brief extension.

Plaintiff further requests leave to exceed the 20-page response brief limitation by five pages. As grounds, Plaintiff submits that the arguments presented by Defendants warrant a fulsome response that would be difficult to limit to 20 pages and that Plaintiff also intends to include objections to the Rule 56 evidence submitted by Defendants in accordance with Local Rule 56.1(e).

Plaintiff has conferred with Defendants, through counsel, who have indicated that they do not oppose the relief requested in this motion.

Respectfully submitted,

BUTLER SNOW LLP
